

Community Engagement Guidelines

- Content published on this page is for informational purposes only, and does not constitute and is not a substitute for medical advice
- Third party content does not reflect Organon Canada's opinions, and Organon Canada is not responsible for any opinions or positions expressed by others within our social media channels.
- For more information about your privacy rights, please visit our [Privacy page](#)

Organon has the right to remove comments that:

- Violate another's rights, such as privacy, trademarks and copyright
- Mention an Organon or third-party product
- Use profanity or are defamatory, malicious, obscene, indecent, intimidating, discriminatory, harassing, threatening, offensive, inappropriate, or hateful
- Promote and solicit for third-party sites, initiatives, or products
- Are factually inaccurate, misleading or spam, or are off-topic or unrelated to the purposes of the channel
- Violate this platform's terms of use

It is possible that we will encounter a situation not outlined above that will require us to remove content. Please keep in mind that Organon Canada reserves the right to remove any post at its sole discretion.

Always consult with your healthcare provider regarding personal health matters. To report an adverse event or product quality complaint with a specific Organon Canada product, please contact our Medical Information Centre: 1-844-820-5468 or medinfocanada@organon.com

This site is intended for residents of Canada only. For more information about Organon Canada, visit www.organon.ca.
