SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

Restrictions on use : Not applicable

| Product name | : | Betamethasone Lotion Formulation | | |
|---|---|------------------------------------|--|--|
| Manufacturer or supplier's details | | | | |
| Company name of supplier | : | Organon & Co. | | |
| Address | : | Avenida 16 de Septiembre No. 301 | | |
| | | Xaltocan - Xochimilco Mexico 16090 | | |
| Telephone | : | +52 55 57284444 | | |
| Emergency telephone | : | 1-215-631-6999 | | |
| E-mail address | : | EHSSTEWARD@organon.com | | |
| Recommended use of the chemical and restrictions on use | | | | |
| Recommended use | : | Pharmaceutical | | |

SECTION 2. HAZARDS IDENTIFICATION

| GHS Classification | | Cotogon / 2 |
|---|---|--|
| Flammable liquids | · | Category 2 |
| Serious eye damage/eye irritation | : | Category 2A |
| Reproductive toxicity | : | Category 1B |
| Specific target organ toxicity - single exposure | : | Category 3 |
| Specific target organ toxicity - repeated exposure | : | Category 1 (Pituitary gland, Immune system, muscle, thymus gland, Blood, Adrenal gland) |
| GHS label elements | | |
| Hazard pictograms | : | |
| Signal Word | : | Danger |
| Hazard Statements | : | H225 Highly flammable liquid and vapor. H319 Causes serious eye irritation. H336 May cause drowsiness or dizziness. H360D May damage the unborn child. H372 Causes damage to organs (Pituitary gland, Immune system, muscle, thymus gland, Blood, Adrenal gland) through prolonged or repeated exposure. |
| Precautionary Statements | : | Prevention: P201 Obtain special instructions before use. P202 Do not handle until all safety precautions have been read |

SECTION 4. FIRST AID MEASURES

Betamethasone

| General advice | : | In the case of accident or if you feel unwell, seek medical advice immediately. When symptoms persist or in all cases of doubt seek medical advice. |
|-------------------------|---|--|
| If inhaled | : | If inhaled, remove to fresh air. Get medical attention. |
| In case of skin contact | : | In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Get medical attention. |

|---|---|--|--|--|--|
| In case of eye contact | | Wash clothing before reuse. Thoroughly clean shoes before reuse. In case of contact, immediately flush eyes with plenty of wate for at least 15 minutes. If easy to do, remove contact lens, if worn. | | | |
| lf swa | allowed | : If swallowed, Get medical a | Get medical attention. If swallowed, DO NOT induce vomiting. Get medical attention. Rinse mouth thoroughly with water. | | |
| Most important symptoms and effects, both acute and delayed | | : Causes serio May cause dr May damage Causes dama | Causes serious eye irritation. May cause drowsiness or dizziness. May damage the unborn child. Causes damage to organs through prolonged or repeated exposure. | | |
| | ction of first-aiders s to physician | : First Aid resp and use the r when the pote | onders should pay attention to self-protection, ecommended personal protective equipment ential for exposure exists (see section 8). matically and supportively. | | |

SECTION 5. FIRE-FIGHTING MEASURES

| Suitable extinguishing media | : | Water spray Alcohol-resistant foam Carbon dioxide (CO2) Dry chemical |
|--|---|---|
| Unsuitable extinguishing media | : | High volume water jet |
| Specific hazards during fire fighting | : | Do not use a solid water stream as it may scatter and spread fire. Flash back possible over considerable distance. Vapors may form explosive mixtures with air. Exposure to combustion products may be a hazard to health. |
| Hazardous combustion prod- ucts | : | Carbon oxides |
| Specific extinguishing meth- ods | : | Use extinguishing measures that are appropriate to local cir- cumstances and the surrounding environment. Use water spray to cool unopened containers. Remove undamaged containers from fire area if it is safe to do so. Evacuate area. |
| Special protective equipment for fire-fighters | : | In the event of fire, wear self-contained breathing apparatus. Use personal protective equipment. |

SECTION 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions, protec- tive equipment and emer- gency procedures | : | Remove all sources of ignition. Ventilate the area. Use personal protective equipment. Follow safe handling advice (see section 7) and personal protective equipment recommendations (see section 8). |
|---|---|---|
| Environmental precautions | : | Avoid release to the environment. Prevent further leakage or spillage if safe to do so. |

You will need to h regulations are applicable. d 15 of this SDS provide information regarding national requirements. |

SECTION 7. HANDLING AND STORAGE

| Technical measures Local/Total ventilation | See Engineering measures under EXPOSURE CONTROLS/PERSONAL PROTECTION section. If sufficient ventilation is unavailable, use with local exhaust ventilation. Use explosion-proof electrical, ventilating and lighting equip- |
|---|--|
| Advice on safe handling | ment. Do not get on skin or clothing. Do not breathe mist or vapors. Do not swallow. Do not get in eyes. Wash skin thoroughly after handling. Handle in accordance with good industrial hygiene and safety practice, based on the results of the workplace exposure assessment Non-sparking tools should be used. Keep container tightly closed. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Take precautionary measures against static discharges. Do not eat, drink or smoke when using this product. Take care to prevent spills, waste and minimize release to the environment. |
| Hygiene measures | If exposure to chemical is likely during typical use, provide eye flushing systems and safety showers close to the working place. When using do not eat, drink or smoke. Wash contaminated clothing before re-use. The effective operation of a facility should include review of |

| Disposal methods | | |
|------------------------|---|---|
| Waste from residues | : | Do not dispose of waste into sewer. Dispose of in accordance with local regulations. |
| Contaminated packaging | : | Empty containers should be taken to an approved waste handling site for recycling or disposal. Empty containers retain residue and can be dangerous. Do not pressurize, cut, weld, braze, solder, drill, grind, or expose such containers to heat, flame, sparks, or other sources of ignition. They may explode and cause injury and/or death. |
