

Her *Plan* is Her *Power* and Organon's Efforts to Reduce Unplanned Pregnancies

Progress to date on our global commitment

Innovating, For Her

- ✦ Completed 8 transactions since 2021 to advance innovation in women's health, and in **areas of unmet medical need**.
- 🌱 Working closely with UNFPA on several **innovative sexual reproductive health (SRH) programming and policy initiatives, including:**
- 🌱 Launched an **innovation challenge with MIT Solv(ed) for young people** to develop solutions that improve access to SRH resources.
- 🌱 Became the **first private sector partner to join the Equity 2030 Alliance**, an initiative with a call to action to normalize gender equity in science and technology.

Accelerating Access, For Her

- 🌱 Leveraging expertise from UNFPA, investors, governments and NGOs; and signed an agreement with CAF, Development Bank of Latin America, to advance a **model of sustainable, results-based financing for women's health**. Programs in Mexico, Brazil, Ecuador and Panama to date.
- 🌱 **Launched "Her Plan is Her Power," a three-year, \$30 million initiative** that expands the company's efforts to help reduce unplanned pregnancies.
- 🌱 **Working to prevent 120 million unplanned pregnancies by 2030, as part of our FP2030 commitment.** Our Her Promise Access initiative has driven significant progress and we are now halfway to our goal.
- 🌱 Committed to **new funding and product donations to help improve access to resources within contraceptive deserts across the United States.** Initial NGO partners include Direct Relief and Power to Decide.
- 🌱 Supporting UNFPA's implementation of an **enhanced Safe Delivery App to improve access to real-time data for healthcare workers in low-resource settings.** The app is in use by healthcare workers in more than 40 countries and has reached an estimated 300,000 people.

Advocating, For Her

- 🌱 Partnered with the White Ribbon Alliance to implement an initiative aimed at **mobilizing 1 million women to voice their health priorities** and improve policies for women's health and well-being.
- 🌱 Partnered with the European Parliamentary Forum for Sexual and Reproductive Rights (EPF) to **launch the Global Contraception Policy Atlas**, a powerful tool to advocate for increased investments in access to contraception.
- 🌱 Collaborated with Women Deliver, which **advocates for improved access to sexual and reproductive health information and services.**
- 🌱 Launched a **global grants program to empower women and girls when it comes to their reproductive health.** The first round of grants was awarded to nine programs working across 13 countries.
