

MANAGE THE BANK DETAILS

How To Guide

How to Manage the Bank Details

Completing your main profile keeps all your business information in one location and allows you to choose the information you would like to share with each customer.

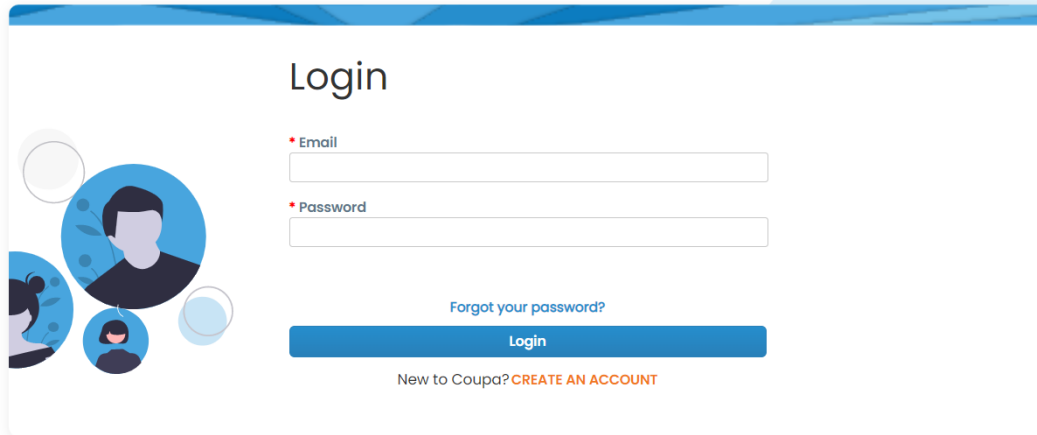

As of May 2023, you will be required to use two-factor authentication to view or make changes to the legal entity, remit-to and bank account information in the Coupa Supplier Portal.

Note: *In addition to the information, added in Coupa and provided on invoices, Organon collects legal and payment information from vendors using a **Supplier Information form**. The payment information on the invoices is typically used as a reference only and NOT how the customer collects the info needed to do the payment. If you are not sure about the process, please ask your Organon contact about it.*

COUPA can only create one remit to at a time per Supplier, so during the creation process only select one. In case you need another bank to be added in the system, please contact your requisitioner.

The following instructions describes how to enter new bank details in your main Profile.

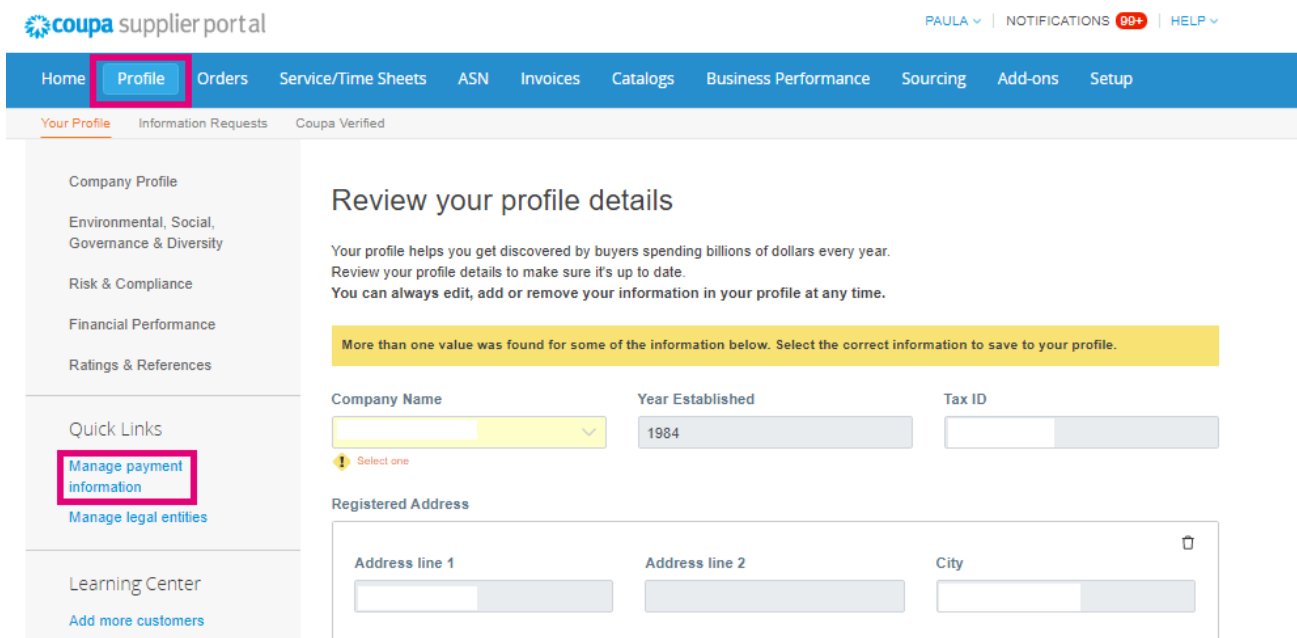

1. Log in to the Coupa Supplier Portal with **Email** and **Password**

The screenshot shows the login interface of the Coupa supplier portal. It features a 'Login' heading, two input fields for 'Email' and 'Password', a 'Forgot your password?' link, and a blue 'Login' button. Below the button is a link for 'New to Coupa? CREATE AN ACCOUNT'. On the left side, there is a graphic with several circular icons representing people.

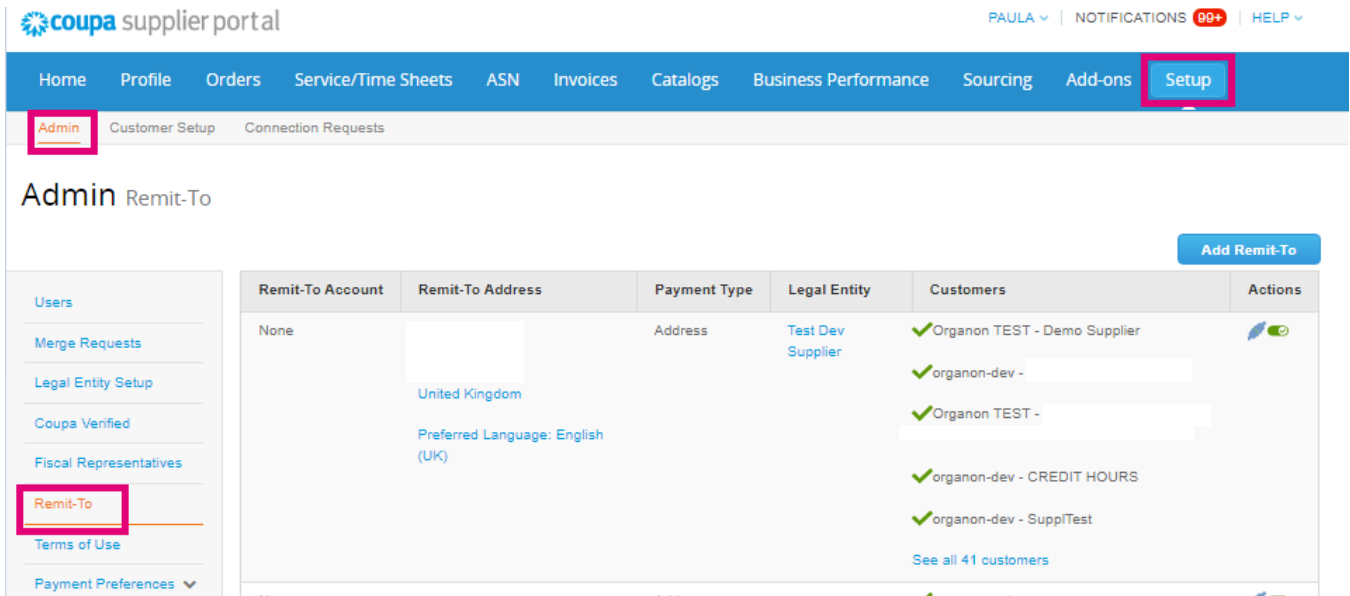

2. You can access your Remit-To section in two ways:

a. **Go to Profile** and select **Manage payment information**

The screenshot displays the 'Profile' section of the Coupa supplier portal. The top navigation bar includes 'Home', 'Profile' (highlighted with a red box), 'Orders', 'Service/Time Sheets', 'ASN', 'Invoices', 'Catalogs', 'Business Performance', 'Sourcing', 'Add-ons', and 'Setup'. Below the navigation bar, the 'Profile' section is titled 'Review your profile details'. It contains a message: 'Your profile helps you get discovered by buyers spending billions of dollars every year. Review your profile details to make sure it's up to date. You can always edit, add or remove your information in your profile at any time.' A yellow warning box states: 'More than one value was found for some of the information below. Select the correct information to save to your profile.' The form includes fields for 'Company Name' (a dropdown menu), 'Year Established' (1984), and 'Tax ID'. Below these are fields for 'Registered Address', including 'Address line 1', 'Address line 2', and 'City'. On the left sidebar, under 'Quick Links', 'Manage payment information' is highlighted with a red box.

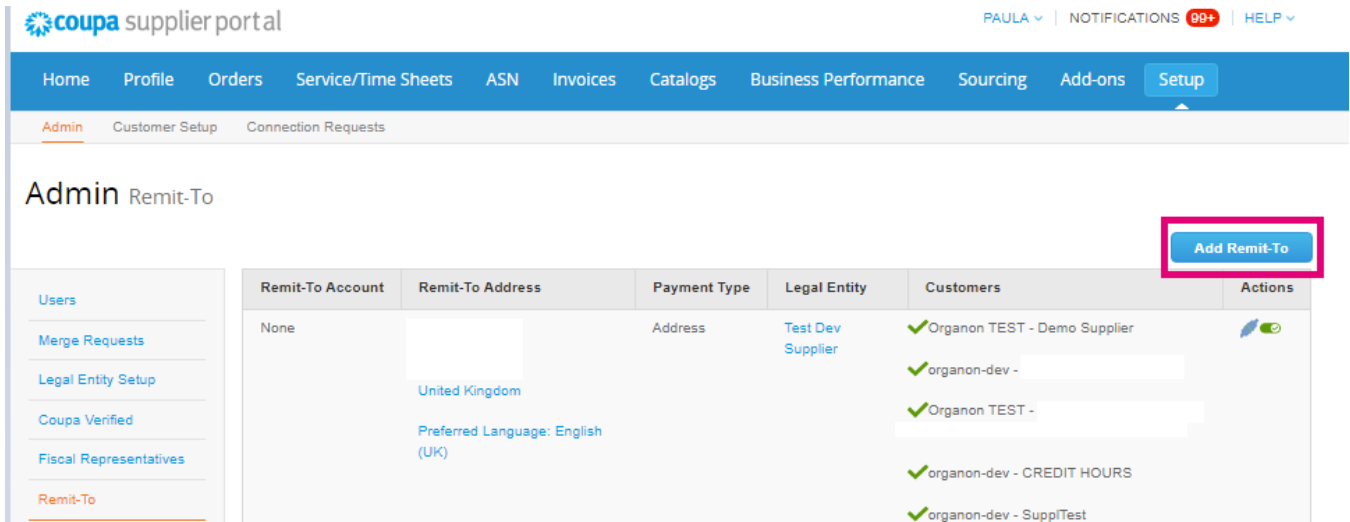

b. Go to **Setup, Admin** and select **Remit-To**
