

## **Matthew Walsh**

Chief Financial Officer

Matt is responsible for the development and execution of Organon's financial strategy. He is focused on driving profitability and shareholder value and ensuring the highest standard of financial integrity for Organon so it can reach its vision of becoming a leading women's health company.

Over his career, Matt has served in several public companies as the CFO and in related roles. Before joining Organon, he was the Executive Vice President and CFO at Allergan plc, and Catalent, Inc. Previously, he held finance and leadership positions at Escala Group and GenTek. He has also served in corporate development and other roles in the chemical and banking industries.

Matt is a CFA® Charterholder. Since 2020, he has served on the board of directors of Certara, Inc., a public company provider of software and consulting services to the life sciences industry, and previously was a board member of Multicolor Corporation, a label solutions provider.

Matt has an M.B.A. and B.S. in chemical engineering from Cornell University.

**About Organon** Organon is a global health care company formed to focus on improving the health of women throughout their lives. Organon offers more than 60 medicines and products in women's health in addition to a growing biosimilars business and a large franchise of established medicines across a range of therapeutic areas. Organon's existing products produce strong cash flows that support investments in innovation and future growth opportunities in women's health and biosimilars. In addition, Organon is pursuing opportunities to collaborate with biopharmaceutical innovators looking to commercialize their products by leveraging its scale and presence in fast growing international markets. Organon has a global footprint with significant scale and geographic reach, world-class commercial capabilities, and approximately 10,000 employees with headquarters located in Jersey City, New Jersey.
